

# Coxlease School

Coxlease School is an independent specialist school providing learning and support for children and young people aged 5 to 19 years with social, emotional and mental health (SEMH) needs, associated complex needs and behaviours that may challenge.

We are rated 'Outstanding' by Ofsted and located near Lyndhurst, within the idyllic New Forest in Hampshire. Alongside offering day placements, we also provide residential care placements at our associated Aspris children's homes.

## Services offered

- A warm and welcoming environment for pupils, where positive and strong relationships are key to support learners
- Rated 'Outstanding' by Ofsted
- A personalised curriculum, enabling each child to make good progress from their individual starting points
- A dual focus on academic achievement and personal, emotional and social development
- A large, diverse and effective therapeutic team
- Opportunities to experience learning in a range of environments, including planned off-site community based activities
- Personalised post-16 education is provided in partnership with our other Aspris provision called Clay Hill School, through established curriculum centres and links to partner colleges
- A positive home and school relationship, ensuring that learners are supported consistently and achievements are shared
- Associated children's homes offering weekly, termly and 52-week residential care

## Our facilities

Located in the heart of the New Forest, Coxlease School has three educational sites. The main school supports pupils from Key Stage 1 to Key Stage 4. Learners can then transition to one of the bespoke post-16 sites.

There are a number of specialist spaces to support effective learning for pupils, including:

- An Art studio
- A Design Technology room
- A Food Technology room
- An IT room
- A hall for 1:1 Music lessons
- Science laboratories

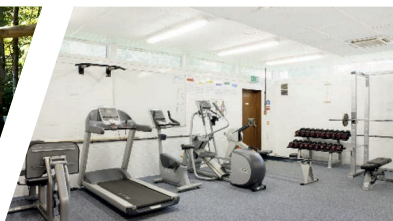

There is a strong sports department and a wide range of on-site sporting facilities including:

- A basketball court
- Outdoor fitness equipment
- A football pitch
- An indoor sports hall and air-conditioned gym
- Extensive grounds for multi-sport use

## A wide range of activities

Coxlease School provides enriching life opportunities which broaden horizons and builds confidence and life skills. The activities accessed on-site and in the community include:

- |                             |                  |
|-----------------------------|------------------|
| • Cinema and theatre visits | • Museum trips   |
| • Cooking                   | • Paddleboarding |
| • Forest skills             | • Rock climbing  |
| • Kayaking                  | • Swimming       |
| • Mountain biking           | • Windsurfing    |

## Achieving positive outcomes

Coxlease School pupils achieved the following positive outcomes during the last academic year:

- 100% of pupils successfully left school with one or more qualifications
- 100% of those taking an English qualification achieved accreditation
- 87% of pupils achieved one or more GCSEs
- 86% of those taking a Mathematics qualification achieved accreditation

## Therapeutic services

Alongside our specialist education and care services, the children and young people at Coxlease School often require access to high levels of therapeutic support. The education, care and therapy that we provide are fully integrated and form a cohesive, consistent and whole package of support to the children and young people to meet their needs and achieve positive outcomes.

We have a large, diverse and effective therapeutic team to further support the young people. This includes:

- Art Therapist
- Clinical Psychologist
- Independent Children and Adolescent Psychodynamic Psychotherapist
- Independent Educational Psychologist
- Occupational Therapist
- Specialist Speech and Language Therapist
- Therapeutic Pastoral Team

All pupils make excellent progress from their different starting points.

Ofsted July 2017

Students in the sixth form blossom... they are very well prepared for their future lives.
