Parents/carers need to...

1. Email me their full address details and a phone number
2. State the name of the school (Coxlease School)
3. Size and item required
4. State your preferred payment method - online banking or card.

Chantal will then email the invoice when the item is ready for dispatch. This is when payment will be required.

If the wrong size is ordered, parents/carers will have to pay for the returns and pay for the other garments.

Once returns are received, Chantal will send the details to refund them.
