

Statement regarding accessing exam results.

Our approach to preparing young people for the adult world is very individual. Initial assessments will identify academic levels and any barriers to learning. Early in a pupil's school career we will seek to identify and nurture their aspirations for the future. The most appropriate accredited route for each individual will then be mapped based on all of these factors.

In short we are answering these questions:

- What academic level is an appropriate target for this pupil?
- What are the pupils preferred options for academic study?
- What is the preferred vocational pathway?
- Do they have realistic aspirations that determine a particular route or qualification?

The answers to these questions will determine which qualifications they will study and which pathway they will pursue. Currently, we offer GCSE qualifications alongside BTEC, VCERT, , Functional Skills qualifications , Entry Level certification AS and A-level qualifications.

Examination results are available on request from the school office. At Annual Review, we discuss and evaluate the most appropriate route/options for pupils with their parents/carers and Local Authority representatives. We employ independent Careers advice who work with pupils .
