### Our Community:

- Recognises that some members of our community may be more vulnerable to bullying and its impact than others; being aware of this will help us to develop effective strategies to prevent bullying from happening and provide appropriate support, if required.
- Will intervene by identifying and tackling bullying behaviour appropriately and promptly.
- Ensures our pupils are aware that bullying concerns will be dealt with sensitively and effectively; that everyone should feel safe to learn and abide by the anti-bullying policy.

- Requires all members of the community to work with the school to uphold the anti-bullying policy.
- Reports back to parents/carers regarding concerns on bullying, dealing promptly with complaints.
- Seeks to learn from good anti-bullying practice elsewhere.
- Utilises support from the Local Authority and other relevant organisations when appropriate.

### **Responding to Bullying**

- If bullying is suspected or reported, the incident will be dealt with immediately by the member of staff who has been approached or witnessed the concern.
- The school will provide appropriate support for the person being bullied – making sure they are not at risk of immediate harm and will involve them in any decision-making, as appropriate.
- The head teacher/ designated safeguarding lead or another member of leadership staff will interview all parties involved.
- The designated safeguarding lead will be informed of all bullying issues where there are safeguarding concerns.
- The school will inform other staff members, and parents/ carers, where appropriate.
- Sanctions (as identified within the school behaviour policy) and support for individuals will be implemented, in consultation with all parties concerned.
- If necessary, other agencies may be consulted or involved, such as: the police (if a criminal offence has been committed) or other local services including early help or children's social care (if a child is felt to be at risk of significant harm).
- Where the bullying takes place off school site or outside of normal school hours (including cyberbullying), the school will ensure that the concern is investigated. It is recognised that, any investigation into bullying offsite, will be limited as the events have taken place out of school. Parents will be notified of any findings and will be expected to support their young people appropriately from their side. School can only inform and advise. Any appropriate action in school will be taken, including providing support and implementing sanctions in school in accordance with the school's behaviour policy.
- A clear and precise account of the incident will be recorded by 3.30pm on the day of the incident on the schools MIS, Engage. This will include recording appropriate details regarding decisions and action taken.
- The Behaviour Team will have an accurate and up to date record of all reported bullying cases and the consequences/actions taken from these.
- Pupils will be taught about bullying in an age appropriate way and will be through PSHE sessions, tutor times and assemblies.

- Act as soon as an incident has been reported or identified.
- Provide appropriate support for the person who has been cyberbullied and work with the person who has carried out the bullying to ensure that it does not happen again.
- Encourage the person being bullied to keep any evidence (screenshots) of the bullying activity to assist any investigation.
- Take all available steps where possible to identify the person responsible.  
This may include:

Work with the individuals and online service providers to prevent the incident from spreading and assist in removing offensive or upsetting material from circulation. This may include:

- looking at use of the school systems;
  - identifying and interviewing possible witnesses;
  - Contacting the service provider and the police, if necessary.
- 
- Support reports to a service provider to remove content if those involved are unable to be identified or if those involved refuse to or are unable to delete content.
  - Confiscating and searching pupils' electronic devices, such as mobile phones, in accordance with the law and also the school searching and confiscation policy. (Note: Schools should ensure they access the DfE '[Searching, screening and confiscation at school](#)' and [Childnet](#) Cyberbullying guidance to ensure that the schools powers are used proportionately and lawfully)
  - Requesting the deletion of locally-held content and content posted online if they contravene school behavioural policies.
