1. Aims

Each child or young person admitted to an Aspris Children's Service should receive care and education appropriate to the needs and aims of their placement through ensuring:

- (a) Effective information gathering prior to placement
- (b) Effective placement matching
- (c) Effective preparation of colleagues to ensure needs are met.

2. Admissions Process

A Referral is made through the Referrals co-ordinator and screened. If deemed to be appropriate within the remit of Fromefield Manor School, then the referral and all supporting documentation is passed to the Headteacher and their supporting SLT, the Head of Pastoral. This will be completed as soon as is practicably possible. The schools SLT, led by the Headteacher, will complete a Referral and Admission Record to indicate whether needs could potentially be met at the school and the assessment process can be initiated. Discussions around these details are held regularly and are ongoing throughout the process.

The Head of Pastoral will create a Referral and Admission Record for each referral that meets the criteria for assessment. This will be completed for each subsequent stage of the assessment and will either be at the point of: Decline, Place Offered.

Paperwork Review – This is the initial decision to agree to further assessment from review of documentation as indicated in the Referral and Admission Record. If this decision is made, the Site Referrals Coordinator will request/ensure the presence of: EHCP, Ed. Psych Reports, OT Reports, SaLT Reports, and current Data, Feedback/Contact details for previous educational establishment. This documentation should be requested within 48hrs of the decision being made at pre-screening for the assessment process to continue. This documentation (where it exists) needs to be received before a final decision on placement can be made.

Assessment 1 – External Visit – The Head Teacher and Head of Pastoral will arrange an 'Assessment' visit to current placement. The meeting will allow the young person and school staff to discuss and carry out observations.

Assessment 2 – Internal Visit - Pupil to visit the site supported by staff and or parents. The Referral and Admission Record clearly sets out specific observations and lines of questioning for the assessor of each visit to consider as part of the assessment. This will form part of the decision-making process. The assessor will complete this section of the young person's Referral and Admission Record and will discuss the assessment visit with the rest of the schools SLT to decide on whether a place should be offered.

Any Offer of placement will expire 4 weeks from date of offer.

Tribunal - Some places require evidence to be given at an Educational Tribunal Court. This evidence will be presented by the assessor leading the case and attendance can only occur during term time and with a suitable amount of notice being given. Requests must be made by legal teams by email and a full court bundle sent to the assessor at least 2 weeks prior to the Tribunal court occurring.

Unsuccessful referrals - An audit trail will be maintained by the Head of Pastoral of all unsuccessful referrals. Details of this log will include service user's demographic details and reason for not admitting to our services.

The Referral and Admission Record will provide the Head of Pastoral with more detailed information from the Head Teacher as to why placement was not offered.

Ultimately, our intention and moral imperative is to ensure that young people are placed in a provision that best meets their needs.
